THE LISTER BLOCK

IN THE HEART OF HAMILTON

This modern building, situated on street car and bus lines from all quarters of the city, is convenient for all Hamiltonians; and its location near the great Hamilton market makes it particularly convenient also for those from outlying communities.

With the five other Lister Buildings in the block bounded by James, King William, Hughson and Rebecca Streets, this is the business home of many of Hamilton's leading stores. Its airy, naturally lighted offices house professional, business and government tenants; and in some of the smaller buildings wholesale and light manufacturing firms have their home.

All buildings are fully occupied, but changes occur from time to time and inquiries for space will bring full information.

TODAY . . .

. . . One of the leading mutual fire insurance companies in America

YOU CAN INSURE IN MILL OWNERS MUTUAL WITH FULL CONFIDENCE BECAUSE . . . .

- You know that your policies are backed by a strong, conservative company—a company that has stood the acid test of time for over 70 years of continuous service to its policyholders.

- You know further that your policies are standard, legal-reserve non-assessable contracts; that they are acceptable as collateral by leading life insurance companies, banks, building and loan associations and other financial institutions.

- You enjoy the assurance that if you experience a loss, it will be handled promptly and fairly. The record of the Mill Owners Mutual is unexcelled in this respect.

- You know that your property is insured with other select properties like your own. Thus the amount which the company is called upon to pay out in losses is substantially reduced as compared to less selective companies.

- You know that this policy of insuring only select risks reduces the **COST OF YOUR** insurance. Being a mutual company, savings are passed on to the policyholder as dividends. Over $19,000,000 have been returned to policyholders in this way.

The Mill Owners Mutual provides you, along with other select property owners, the opportunity of buying safe, sound protection for your property, at a minimum cost.
